Dear USA Imaging, Inc.,

Would like to take this opportunity to thank you and the folks at USA Imaging for the great service and support provided Carmel these last seven years. Consistently high quality, competitive pricing and repetitive efforts to go the "extra distance" on our behalf are all recognized and appreciated.

On behalf of all of us at Carmel, thank you for remaining a reliable service provider. We look forward to continuing a lengthy and mutually beneficial relationship well into the future.

Sincerely,

Bob Carroll
President
